Foreword

These rules are issued by Zhongsheng Deshang Testing and Certification (Chengdu) Co., Ltd.

The copyright of these certification rules is owned by Zhongsheng Deshang Testing and Certification (Chengdu) Co., Ltd. No organization or individual may use them in whole or in part in any form without the permission of Zhongsheng Deshang Testing and Certification (Chengdu) Co., Ltd. (except as required by law).

1. Certification Scope and Basis Standards

This certification implementation plan applies to the environmental product certification of wooden furniture, metal furniture, bamboo and rattan furniture, plastic furniture, glass and stone furniture, upholstered furniture, and other furniture.

Certification Basis:

CTS CRCB003-2026 "Technical Specifications for Environmental Product Certification - Furniture"

2. Certification Mode

Certification mode: initial factory inspection + product sampling inspection + post-certification supervision

3. Certification implementation stages and requirements

3.1 Certification process:

The basic certification process includes:

- a) Certification application
- b) Initial factory inspection
- c) Product sampling inspection
- d) Certification result evaluation and approval
- e) Post-certification supervision

Note: Initial inspection includes document technical review and on-site inspection.
