In accordance with the requirements of the Certification and Accreditation Administration, the implementation rules have been improved.			20260514	Zha Zhengbing

Foreword

This rule is issued by Zhongsheng Deshang Inspection and Certification (Chengdu) Co., Ltd.

The copyright of this certification rule is owned by Zhongsheng Deshang Inspection and Certification (Chengdu) Co., Ltd. No organization or individual may use it in whole or in part in any form without the permission of Zhongsheng Deshang Inspection and Certification (Chengdu) Co., Ltd. (except as required by law).

1. Certification Scope and Basis Standards

This certification implementation plan applies to the flame retardant grade certification of furniture products such as wooden furniture, steel-wood furniture, and upholstered furniture.

Certification Basis:

GB 20286-2006 "Requirements and Identification of Combustion Performance for Flame Retardant Products and Components in Public Places" GB 17927-2024 "Safety Technical Specification for Furniture Flame Retardant Performance"

2. Certification Mode

The certification mode is: initial factory inspection + product sampling inspection + post-certification supervision

3. Certification Implementation Steps and Requirements

3.1 Certification Process:

The basic certification process includes:

- a) Certification application
- b) Initial factory inspection
- c) Product sampling inspection
- d) Evaluation and approval of certification results
- e) Post-certification supervision

Note: Initial inspection includes document technical review and on-site inspection.
