Foreword

These rules are issued by Zhongyi Deshang Inspection and Certification (Chengdu) Co., Ltd.

The copyright of these certification rules belongs to Zhongsheng Deshang Inspection and Certification (Chengdu) Co., Ltd. No organization or individual may use them in whole or in part in any form without the permission of Zhongyi Deshang Inspection and Certification (Chengdu) Co., Ltd. (except as required by law).

1. Certification Scope and Basis Standards

This certification implementation plan applies to the green printing product certification of reading-type printed matter and packaging-type printed matter.

Certification Basis:

CY/T 132.1-2015 "Green Printing - Product Conformity Criteria - Part 1: Reading-Type Printed Matter"

CY/T 132.2-2017 "Green Printing - Criteria for Product Conformity Assessment - Part 2: Packaging Printed Matter"

2. Certification Mode

The certification mode is: initial factory inspection + product sampling inspection + post-certification supervision

3. Certification Implementation Stages and Requirements

3.1 Certification Process:

The basic certification process includes:

- a) Certification application
- b) Initial factory inspection
- c) Product sampling inspection
- d) Certification result evaluation and approval
- e) Post-certification supervision

Note: Initial inspection includes document technical review and on-site inspection.
